THE LIBRARY THANKS THE LINDSTROMS

One of Pentwater’s most active couples who have been very supportive and involved in the library over the years has made a generous contribution to the library. After Ken Lindstrom passed away earlier this year the library received a $5,000 check from Charlotte who followed Ken’s wishes to be used by the library.

The Lindstroms have been some of the library’s strongest supporters. Both have served on the library board and Ken had been the treasurer of the library. Charlotte was active in many activities at the library including the book club. She has most recently moved to Wisconsin to be closer to her children. The library is thankful for the couple’s involvement and their generous contribution which will be placed in the capital fund.

FRIENDS OF THE LIBRARY REFRESH PROJECT

Now that the library building has been refreshed, the Friends of the Library group will be re-energizing itself with what has been nicknamed "The Next Chapter" and is looking for new involvement from members of the community. This is an especially good way for new members of the community to become involved in the library and community, make new friends, and work to make the community a better place. It is also a great time for members who have been involved for many years to come back and lead the way.

The annual meeting of the group this fall will be on Tuesday, September 26 at 7 PM in the library’s Multi-Purpose room. If you cannot make this meeting and still wish to be involved please contact Mary Barker at (231) 869-8581 or email mbarker@pentwaterlibrary.org.

NEXT MAJOR PROJECT—THE OUTSIDE NEEDS HELP

Donations big and small are now being sought for a major renovation on the outside of the library. Among plans being considered are re-configuring the
parking lot, fixing sidewalk problem areas, garden and shrubs and outdoor seating areas, and signage. We hope to have plans in place for the project to start in the spring.

Donations can be made to the Pentwater Township Library at P.O. Box 946, Pentwater, MI 49449-0946. Please add Landscape in the note area of checks.

LIBRARY HOURS

The Library has made a few changes to its hours to better serve our patrons.

Tuesday, Thursday, Friday 10 a.m.—6 p.m.
Saturday 10 a.m. — 3 p.m.

From December 1—March 31 the library will close at 7:30 p.m. on Monday and Wednesday.

NEW iPAD TRAINING AVAILABLE AT THE LIBRARY

The library has received a competitive grant for small libraries from the Library of Michigan. The Library Services & Technology Act is administered at the federal level by the Institute of Museum and Library Services. The grant allowed the Pentwater Township Library to purchase four new iPads to teach staff and patrons how to use the user-friendly devices that are particularly appropriate for seniors getting involved in first computer use.

Judith DeRycke, a former library board member and retired teacher has completed the training for the library staff. We plan to have more training for individual and group instruction later this year at the library. The new library tutor room and the new library multi-purpose room are particularly designed for such learning experiences.

ZINIO MAGAZINES CHANGES OVER TO RB DIGITAL

If you enjoy reading digital magazines from the library with your Zinio app, there will soon be a change to a more user-friendly app called RB Digital. The changes will involve a start-up that can easily be done but if you need help or have question, the staff here at the library will be happy to work with you.
